

Mountain Area Transportation System – Fannin County

The Mountain Area Transportation System (MATS) serves as a means of public transportation for citizens located in Fannin County.

Our transportation service operates on a non-fixed route basis and our vehicles can accommodate service for individuals with disabilities.

The transit service is used by many for medical appointments, shopping trips or as an alternative source of transportation for local citizens when needs may arise.

We request a 24-hour advance notice when booking transportation appointments, but same day service can be executed if capacity is available.

General Box Fare Rates:

- \$2.00 One-Way for trips up to five miles
- \$3.00 One-Way for trips greater than five miles
- \$4.00 One-Way for wheelchair trips

For further information on this service, please contact the local transportation office at:
